

ROLL OF HONOUR CITATION

Occasionally, we at the SPF receive a letter that demonstrates recognition of someone's commitment and effort over a prolonged period to support not only their club but the wider photographic community and invites us to consider adding a deserving club member to the Scottish Photographic Federation Roll of Honour.

The person who was nominated to receive the accolade has been a member of their club since 1989 and served in number of roles including that of Secretary, Vice President, President, GDPU representative, member of Image Selection Committee, long time Syllabus Secretary as well as being instrumental in keeping the club going by stepping into vacant roles when the club was struggling to find committee members and by their efforts ensured the survival of the club during a difficult and challenging phase of the clubs existence. This individual is considered by fellow club members to be the prominent force who provided the functional discipline to enable the continuing operation and success of the club. In addition, our nominee has also visited many clubs during the period 2010 to 2021 as an SPF judge and attended numerous SPF events thereby supporting the art of photography.

Those who nominated and supported this nomination have all highlighted that the nominee has gone above and beyond in supporting not only their camera club but also Scottish club photography. Praise indeed and deserved recognition of long-time commitment and dedicated personal service to club photography.

It therefore gives me the greatest pleasure on behalf of the Scottish Photographic Federation to invite Elspeth Fear of Strathaven Camera Club to come and join me.

Elspeth your club has recognised that your commitment went above and beyond that of many involved in club photography and we at the Scottish Photographic Federation are delighted to echo that sentiment and to add your name to the Roll of Honour; we are also pleased to present you with this certificate confirming that you have been added to the permanent record joining those who's remarkable service is recorded for prosperity.

Fellow photographers, I would like to ask you to extend a warm and enthusiastic thank you by applauding this remarkable lady as she joins many illustrious names on the Roll of Honour. Thank you
