## Coming into View: Eric Watt's Photographs Of Glasgow

The 'Coming into View' exhibition is at Kelvingrove Art Gallery from 4th Mar 2022 to 4th Mar 2023 and celebrates the work of amateur photographer Eric Watt through the mid-late 20th Century. The exhibition is Free. A book of Eric's work is also available.

The work of Eric Watt will be well known to many Scottish Club photographers. He was a long-term member of Queen's Park Camera Club and a past President. He is also an SPF Roll of Honour recipient and a Past President of the SPF, and he travelled to many Scottish clubs as an SPF Judge and Lecturer for many years. Eric was extremely well known for the shots he took around Kinning Park (see left 'Kinning Park Kids' from SPF Centenary Exhibition 2003) and the Gorbals that many of us can

only dream of being able to take now. To find out full venue details please visit the Whats On Glasgow website from the link below -

## Duncan McEwan made PCPC Honorary President

At Paisley Colour Photographic Club's AGM and Prize Giving evening on 21st April 2022 the membership had the pleasure of awarding the richly deserved title of Honorary President to Duncan McEwan.

Bridge of Weir resident, Duncan, has dedicated much of his life to the Scottish amateur photography scene, having first becoming a member of the Club in 1971. More than half of Duncan's 5 decades as a Club member has seen him serve in one formal capacity or another, including being President 9 times, Vice President 6 times, a Council member 12 times, External Competition Secretary 16 times, Internal Competition Secretary once, Chairman of the Nature Division of the former Paisley International Exhibition for 8 years and its Overall Chairman for 4 years.

At national level, Duncan has previously been added to the Scottish Photographic Federation's Roll of Honour for meritorious service to club photography in Scotland as a speaker, judge and for his work with the former Paisley International Exhibition.

His legendary talent as a photographer has also been recognised by Sony (one of the world's pre-eminent camera and lens manufacturers) with whom he has served as an ambassador.

Duncan was delighted to receive his honorary title, with outgoing President Ken Dow presenting him with a framed certificate and a Scottish Photographic Federation silver medal inscribed with his new title.

**The SPF would like to add its congratulations to Duncan McEwan who became a member of the SPF Roll of Honour in 2003, at the SPF's Centenary celebrations.**

It's that time of year again! SPF Club members who have entered the **PAGB's Masters of Print** have done well in recent years, with several of the top awards, and the main sponsor's awards, going to Scottish authors. **Why not give it a go and enter the 6<sup>th</sup> MoP?**

CLUBS WILL ALSO BE ABLE TO HAND ON THEIR PRINTS TO THE GB TROPHY COMPETITION

# WHY YOU SHOULD ENTER THE MASTERS OF PRINT

The Masters of Print is a unique exhibition and, in many people's opinion, the most prestigious in UK Amateur Photography.

Only 60 Prints are accepted by 60 different photographers. Whilst this sounds statistically very difficult, it provides a wonderful opportunity for lesser known Club members to have a Print accepted. No matter who enters, no matter how successful they might be in other exhibitions, they can only have one Acceptance in this.

Successful entrants receive a very special unique bronze badge, a real symbol of honour and, on acceptance to a 5<sup>th</sup> MoP, they receive a silver version of the same badge. You too could secure one of these badges and, like other recipients, wear it with pride at photographic events.

Send us your Best Print  
You'll never know if  
you don't try!

Every accepted photographer is appointed to the Hall of Fame and will have the opportunity to be featured in e-news in their own words and with their favourite images. Thousands of people will read your article and admire your images. And, of course, there are many valuable prizes given to pictures in the exhibition, chosen by our Sponsors. Paper, printers, cameras, and valuable gift vouchers have been presented. What might YOU win this year?
