SPF PAGB Inter-Fed Entry 2025

A shortlist was drawn up from prints entered into this year's SPF Print Championship. From that shortlist the following prints have been chosen and submitted to the PAGB to represent the SPF in this year's PAGB Inter-Federation Print Competitions and Exhibition. We can enter a maximum of 20 prints into each of the three categories Colour Print, Monochrome Print and Nature Print, with restrictions on the number of prints per category.

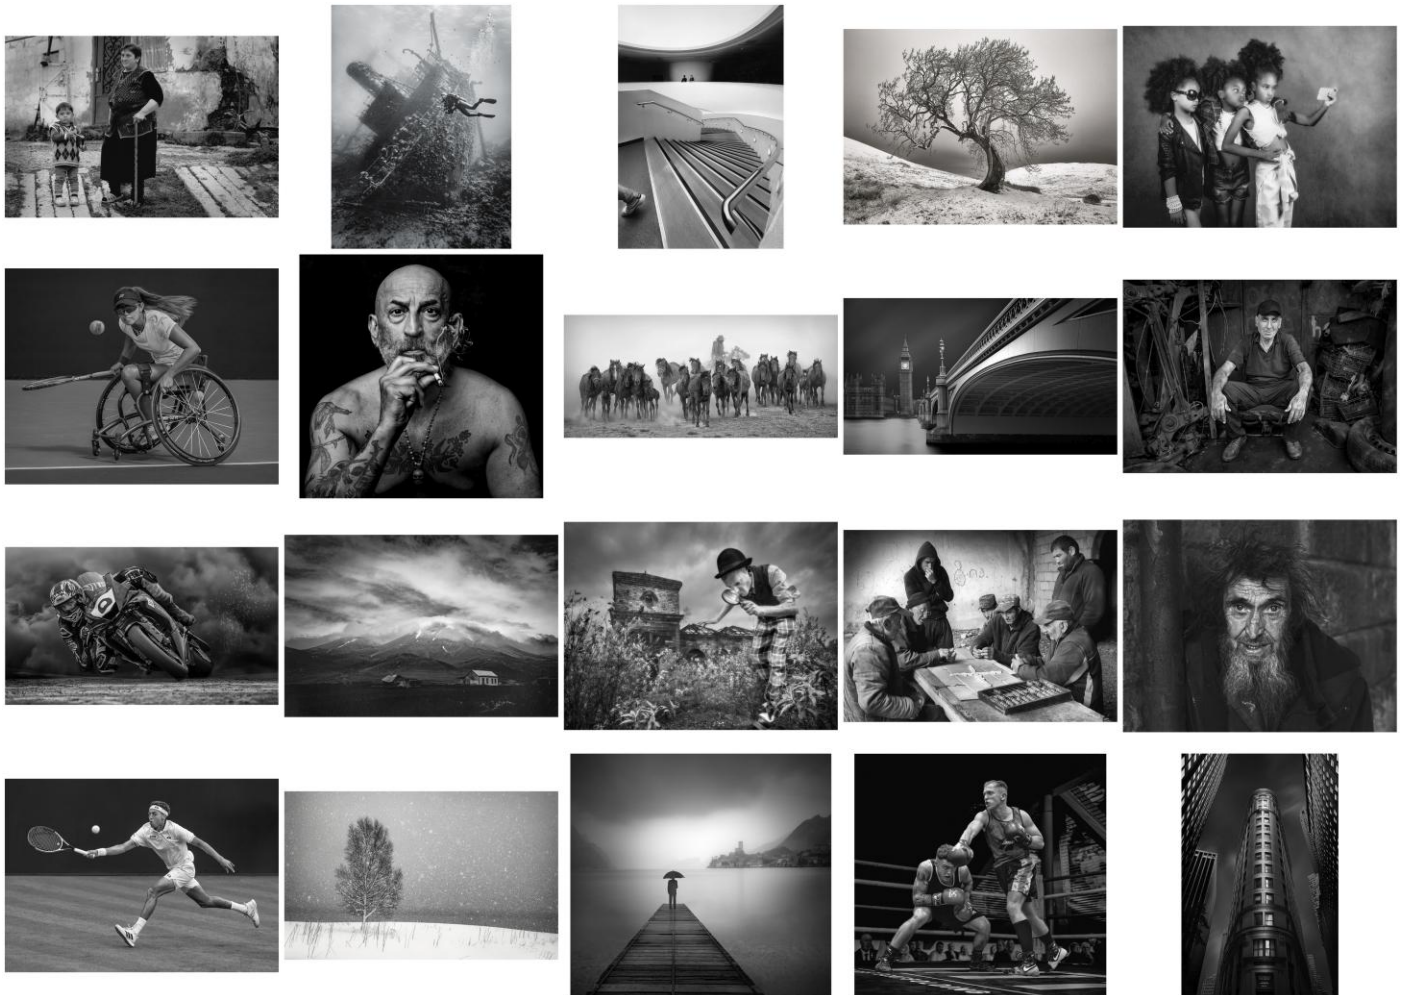

Thank you to all of the photographers who have given us their prints for this event whether or not you made to the final selection. We very much appreciate your support, also, to the Competition Secretaries in many cases who have aided us in collecting these prints together. The results will be issued in due course and displayed on our website as well as gallery of the prints.
