

## FIAP Distinctions

FIAP Photographic Distinctions are available to individuals who are members of SPF Clubs. Firstly, you must participate in salons with FIAP patronage to gain acceptances. A full list of these Exhibitions (Salons) can be found on the NEW FIAP Patronages website

Remember that our own SPF *Scottish International Salon* and our member Club Edinburgh Photographic Society's *Edinburgh International* both count towards these FIAP Distinctions.

# FALKIRK CAMERA CLUB DIAMOND JUBILEE EXHIBITION

In 1889 photographers in Falkirk banded together to form the Falkirk Amateur Photographic Association. That group survived two World Wars and various incarnations before, on 17th April 1958, becoming the Falkirk Camera Club that we know today.

**Genesis to Jubilee - The Story of Falkirk Camera Club** opened on 31st March 2018, until 28 April 2018, in The Gallery at Falkirk Town Hall, West Bridge St., Falkirk. Falkirk Town Hall is open most days but please check with them before travelling on, 01324 - 506177. Mon - Sat 9.30am - 3.30pm. Sun - Please call.

This exhibition 'Genesis to Jubilee' is the Story of Falkirk Camera Club telling the story of their 60-year journey. The exhibition runs until 28th April and is supported by Falkirk Community Trust. Admission Free. More information on their website at <http://www.falkirkcommunitytrust.org/venues/fth/exhibitions.aspx>

The exhibition includes a c1890's photograph of those first Falkirk photographers together with a photograph of some current Falkirk Camera Club members taken recently in the same spot at Callendar House - Falkirk. Those recent photographs, plus short biographies of some of today's members will join those 19th century images in the Falkirk History Archives at Callendar House for the benefit of future generations. Callendar House is now a Heritage Centre and Local History & Archaeology Archive operated by Falkirk Community Trust.

For the first time in almost 80 years, the club exhibits the first photograph which a Club photographer, John P. Munn, exhibited internationally by touring it in the U.S.A. immediately before that country entered WWII. Also included is the first Falkirk C.C. Print of The Year, by Dr J. McMurray, from the re-named Falkirk Camera Club in 1958. The exhibition continues with the 1962 Monochrome Print of The Year by Peter Easton, still active in the Club today. We exhibit photographs which were exhibited by Falkirk C.C. members in International Exhibitions from the 1980's onwards and crucially, the work of photographers who have only joined the group within the past few months.

Falkirk and District Photographic Association joined the Scottish Photographic Federation in 1923 and remain a member today as Falkirk Camera Club. Visit their website at <http://www.falkirkcameraclub.co.uk/> and read more at <http://www.falkirkcameraclub.co.uk/information/history/>
