foreword

The Photographic Alliance of Great Britain (PAGB) organises national events and competitions for the more than 1100 camera clubs with over 40,000 members, all over the UK.

Although we are highly supportive of all aspects of amateur photography, the PAGB is particularly keen to encourage photographic prints. We wanted to show the world how good amateur photography can be and we launched the "Masters of Print", asking club members to submit their very best prints.

Now in its third year, the exhibition has gone from strength to strength and our judges/selectors were, once again, ruthless in their pursuit of photographs with interesting content, imagination, diversity of subject and technique and pictures created with love. Only one print can be accepted from each entrant and, with our strong emphasis on variety, many great photographs and many excellent photographers did not make the cut.

Just 60 prints by 60 different amateur photographers are displayed and I'm sure that every visitor will find one they won't forget.

Rod Wheelans MPAGB HonPAGB, Organising Chairman

welcome

Welcome to the third Masters of Print exhibition, showing the very best of 'amateur' photography in the UK today.

This is the culmination of a great deal of hard work by a dedicated team from the Photographic Alliance of Great Britain, under the chairmanship of Rod Wheelans, and, to all those people, I express a big thank you. My thanks also, to the excellent judges who made such a good job choosing the best pictures for the exhibition.

One of the joys of our exhibition is the 5-star catalogue, which will perpetuate the memory of the images selected. A special thank you to Libby Smith for the excellent production and to Gordon Jenkins for coordinating the printing.

The Photographic Alliance of Great Britain is forever indebted to our sponsors for giving such generous prizes and for embracing the Masters of Print so enthusiastically.

Please enjoy the exhibition.
