

The Northern Audio Visual Group

**St John's Church Hall. Snods Edge. Shotley Bridge. DH8 9TJ. OS ref:NZ065535.
Saturday 21st October 2017 at 09:45 hours**

You are cordially invited to the October 2017 meeting where our guest speaker will be Bryan Stubbs ARPS.

Bryan says "I have been making AV sequences since 2004 but taking photographs as long as I can remember. I like the storytelling aspect of AVs and most of my sequences have a voice over. I have been greatly helped in developing my AV production skills by members of Leeds AV Group and am just entering my second period of Hon Secretary of the group. I have also been chair of the selection panel for the group for several years.

I am also the RPS organiser of the "Great Yorkshire" AV days, a role I have undertaken for 10 years, initially at Bradford Media Museum and now at Leeds Trinity University. I have been on the judging panels for the Great Northern and the Peter Coles International AV Competitions and have had some success in national competitions but never higher than "highly commended"!

I will attempt to entertain you by showing you some of my AVs and talk about the stories behind them. I will give my talk on how a competition sequence varies from a sequence for general consumption but that won't take very long! My hope is that we all go away from the meeting with new ideas and inspirations to progress this absorbing hobby/way of life!"

With this breadth and depth of knowledge we are assured of yet another enjoyable, entertaining and educational day at our October event.
