**FIAP Colour Print & PDI Biennials**  
 We need your photos!! - Themes 'BEACH SCENES' or 'CREATIVE STILL LIFE' - by 31st Jan 2016

Full Details from the PDF download link below

The deadline is fast approaching for both the FIAP Colour Print Biennial and the FIAP Projected Image Biennial, and although we have received a number of images from authors already, we could do with a few more to choose the strongest panel. We require a total of 30 photos to complete both of the above entries. Each panel must have a strong coherence both in subject, size and shape which makes it more difficult to select, so even if you have submitted entries on the above themes before, we would welcome any additional images you can send us.

instance please 1400x1050 or 1024x768 peps") For the Beach Scenes category, please only submit Square or Landscape format images. The Creative Still Life Format has yet to be determined. If your entry is selected we will require a 2400 peps on the longest side for PDI use or a file capable of printing A3 size. Please send your photos to Clive Turner, FIAP Liaison Officer to the email address supplied at the bottom of this email.

**A PDF Containing Full FIAP Biennial details can be downloaded Here**

Kind regards,  
 Libby Smith
