

What Is Available in the PAGB CES?

Full details about the PAGB CES are explained at the following page of the main PAGB website, <http://www.thepagb.org.uk/services/the-entries-admin-system/>

We have given you an overview below.

The screenshot shows the website header for 'The Photographic Alliance of Great Britain'. The navigation menu includes: home, about us, services, awards, events, fiap, library, sponsors, contact. Below the menu is a breadcrumb trail: Home → Services → CES: Entries/Admin System. The main heading is 'CES: Entries/Admin System'. The introductory text states: 'The PAGB delivers on-line services via its Entries/Admin system, commonly referred to as the Central Entries System: abbreviated 'CES'. Access to PAGB events and services is only granted to Federation officers, to affiliated Club officers and to the members of those Clubs. Key to that is managing personal accounts in CES and their status. (Click on any of the following headings (+) for more information.)' A list of links with expandable icons (+) includes: 'What is available in CES (+)', 'How Do I? (+)', 'The Speakers Register (+)', 'Data Management (+)', and 'Frequently Asked Questions (+)'. On the right side, there is a search bar, a 'Featured Image' section with a photograph of a modern building, and a 'Quick Links' section with links to 'PAGB e-news' and 'CES: Entries/Admin'.

Do I need a PAGB CES account?

You need a CES account if you wish to access PAGB on-line services, which are reserved for Clubs and their members who are members of the Federations that make up the PAGB, such as the SPF. If you used the PAGB Handbook or you want to enter a PAGB Competition, you need a PAGB CES account.

An account requires to be approved at one or more levels of Club member, Club officer or Federation officer to gain access to services reserved for each of those levels. Separately, an account can offer activities for inclusion in the Speakers' Register (containing Judges and Lecturers).

What Is Available in the PAGB CES?

The Find A Club map and the Recorded Lecture catalogue are open access. To access additional services you require a personal CES account as explained in full at the above webpage under the [How Do I?](#) section. Further help is available under the [Frequently Asked Questions](#) section.

CES: Entries/Admin System

This has been published before but you may have missed it.

The PAGB Entries/Admin system is commonly referred to as the Central Entries System:

Mark Buckley-Sharp CPAGB HonPAGB ARPS (Hon)

A crisis creates opportunity and change: a realisation that, if cannot be done the same way, then other ways must be found. In recent times, on-line conference software such as Zoom have opened the opportunity for Clubs to invite speakers from distances which were previously impossible. Likewise, on-line delivery of information and services has become much more important. The PAGB is supporting Federations and Clubs in these changes using its Central Entries System (CES).

From small beginnings as an entry system for the Inter-Federation competition, the CES has grown to support entries for all PAGB events.

From small beginnings as an entry system for the Inter-Federation competition, the CES has grown to support entries for all PAGB events, including our Awards for Photographic Merit, and also supports service delivery direct to Federations, Clubs and their members. To do this required a change of philosophy from a system with accounts for roles such as ‘competition secretary’, to one with accounts for individuals in their own right.

The CES holds information such as contact details and Club and Federation memberships. Since anyone in the world can create an account, account holders must be specifically authorised to access only the information they require for whatever status they have as a Club member, a Club officer or a Federation officer. We call these ‘approvals’, which must be requested, independently verified, and then managed over time.

The PAGB has produced a printed Handbook, once every two years, which has been delivered as one copy per Club. The Handbook contains a mix of content, such as contact details and procedures, but the majority of the content is the lists of approved judges and lecturers. This made the Handbook vital to programme secretaries. However, one copy can only be used by one person. Who decides who that will be? Does anyone relevant on the Club committee know who has the copy, or even know that such a copy exists? What if it is lost? These are issues inherent in any paper-based system, quite apart from the time and effort of collation and the costs of production and distribution.

It is Federations who put the effort and resource into recruitment and training of speakers for Clubs, and who approve speakers for their own lists and for the lists in the PAGB Handbook. Following a detailed design and consultation, Federations agreed that the PAGB should create an on-line speakers register which retains Federation control over speaker approvals. It is a fine example of the PAGB role to support Federations in commonly defined aims. Judge records have been entered to the new register and the addition of lecture records is ongoing. So far the CES has over 600 judges and about 1000 lectures. More will follow.

With this on-line speakers register it is now possible for an approved CES account holder to access details of speakers without searching for the handbook, or wondering whether the information is still accurate.

So, what does ‘approved’ mean in this context? Just as the Handbook was available for use by any member of a Club committee or a Federation committee, the accounts in CES which can access the speakers’ contact information are those approved as a Club or Federation officer (committee member). Now that the CES has evolved into a service delivery system, there is a real need for Club committee members to have a CES account with Club officer approval so that they can access services for their Club. There are still many PAGB affiliated Clubs which have no officers recorded in the CES. Those Clubs have effectively excluded themselves excluded from PAGB provided services until they have at least one account approved as an officer.
